## Key Skills

Strategic Marketing & Brand Positioning, Business Legacy Creation, Book Publishing & Authority Building, Client Relationship Management, Public Speaking & Thought Leadership, Content Strategy & Digital Presence, Podcast Hosting & Guest Interviewing, Entrepreneurial Coaching & Consulting

## Professional Experience

### Founder & CEO | Anspach Media 2001 – Present

- Built a marketing and consulting agency focused on legacy-building for entrepreneurs, from startups to Fortune 500 companies.
- Produced 50+ books, helping clients establish themselves as authorities in their industries.
- Developed innovative storytelling strategies that align with client branding, resulting in increased visibility and client acquisition.
- Transitioned the company to working with million-dollar clients, emphasizing legacy, client experience, and creating long-term authority.
- Created and led marketing strategies for high-profile businesses, delivering measurable ROI through books, video, and social content.

### Owner | Premiere Carpet Cleaners 1995 – 2014

- Managed a successful carpet cleaning business, serving as a testing ground for developing effective marketing strategies.
- Transitioned learnings from this business into marketing consulting, leveraging first-hand experience in customer acquisition and retention.

### Podcast Host | Rob Anspach's E-Heroes Podcast 2018 – Present

- Interviewed over 325 entrepreneurs, exploring strategies for business growth, storytelling, and marketing innovation.
- Built a loyal audience by combining humor, insight, and practical advice for entrepreneurs.
- Used the podcast as a platform to spotlight clients, enhance their authority, and grow their reach.

## Article Contributor | Cleanfax Magazine 2005 – 2014, 2025

- Regularly published articles on marketing, customer retention, and entrepreneurial strategies.
- Shared actionable insights for small business owners in the cleaning and restoration industry.
- Maintained a consistent voice, blending humor with practical advice to engage readers and drive results.

## Publications

- \*Legacy\* (2024) – A comprehensive exploration of the importance of creating a lasting business legacy, launched December 5, 2024.
- \*Rob Versus The Scammers\* – A humorous yet insightful take on dealing with phone scammers, which launched the “Rob Versus” series of books.
- \*Boaz on Business\* – Co-authored with Jeffery S. Watson, Eddie Speed, and Kira Golden, discussing business legacy and wealth building based on biblical principles.
- \*Marketing The Magic: “Behind The Scenes” Business Strategies From Walt Disney World\* (Upcoming) – An exploration of how Walt Disney World keeps audiences coming back year after year, and how entrepreneurs can adapt that magic to enhance their businesses.
- Plus other books covering social media, copywriting, search engine optimization, military law, personal injury law, weight loss, sarcasm, entrepreneurship, podcasting and life lessons.

## Key Accomplishments

- Guided entrepreneurs in building profitable businesses by focusing on storytelling, authority, and legacy.
- Helped transform struggling entrepreneurs into industry leaders through personal branding and strategic marketing.
- Authored and co-produced books, positioning himself and clients as thought leaders.
- Pioneered a 'friends first, client second' approach, fostering long-term relationships that drive client loyalty.

## Education

Self-taught marketer with over three decades of practical experience.  
Continuously learning from industry leaders.

## Interests

- Public speaking and mentoring entrepreneurs.
- Visiting Disney World biannually, inspired by Disney's focus on client experience and legacy.
- Writing humorous and insightful books on business, marketing, and life lessons.

## 2025 Collaborations / Joint Ventures

- Head of Publishing at MVI Media – Jan 2025 to Present
- Co-Publisher with Brad Szollose on 4 books helping consumers fight back against debt collectors, slumlords, HOA boards and the IRS.
- Collaborating with Ben Gay III in adding a “Personality Selling” volume to his “The Closers” series of books.
- Working with Robin Jay on the marketing for her upcoming documentary.
